121 BUILDING ESTIMATES.

Building Inspector Piper submitting estimates for building, viz:-

Upon motion the further consideration of these estimates is deferred in order that the Treasurer might furnish the Committee with a statement of rentals received therefor.

122 BARKER STREET SEWER.

H.A.Brazier - I beg to submit for your consideration the question of extending the Barker St. Sewer now under construction. The contract calls for the sewer to be constructed at an average depth of 9' to a point 260' North of Traverse St. At an extra cost of approximately $5,000.00 this sewer can be extended to a point 500' North of Traverse St.

Alderman Seabrook moves, and it is adopted, that the extension of Barker Street Sewer be not now undertaken.

Upon motion the Committee adjourned.

.....
Chairman.
